NAPOLI

the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million, and the number of people aged 75 and over has increased by 1.2 million (Office for National Statistics 2000). The number of people aged 85 and over has increased by 0.5 million.

There is a growing awareness of the need to develop services to meet the needs of the ageing population. The Department of Health (1999) has published a strategy for the care of the elderly, which sets out the government's commitment to improve the lives of older people. The strategy is based on the following principles:

- Older people should be able to live in their own homes for as long as possible.
- Older people should be able to live independently and be able to take part in the life of their community.
- Older people should be able to live in a safe and secure environment.
- Older people should be able to live in a comfortable and pleasant environment.

The strategy also sets out the government's commitment to improve the lives of older people in the following ways:

- To improve the health and well-being of older people.
- To improve the housing and living conditions of older people.
- To improve the social and community life of older people.
- To improve the financial security of older people.

The strategy also sets out the government's commitment to improve the lives of older people in the following ways:

- To improve the health and well-being of older people.
- To improve the housing and living conditions of older people.
- To improve the social and community life of older people.
- To improve the financial security of older people.

The strategy also sets out the government's commitment to improve the lives of older people in the following ways:

- To improve the health and well-being of older people.
- To improve the housing and living conditions of older people.
- To improve the social and community life of older people.
- To improve the financial security of older people.

The strategy also sets out the government's commitment to improve the lives of older people in the following ways:

- To improve the health and well-being of older people.
- To improve the housing and living conditions of older people.
- To improve the social and community life of older people.
- To improve the financial security of older people.

TERZINE

Padre augusto del Tebro, che dal trono
Mover dovesti, de' rubelli al grido
Che spergiuri abusar del tuo perdono,

E t' involasti a più tranquillo lido
Ove l'inclito Rè, per Fede noto,
Il suo braccio ti stese invitto e fido,

Riedi; che indugi? tutto a te devoto
Lo stuol dell'arti e delle scienze a gara,
Riedi, ripete; tal di Roma è il voto.

Prima s'avanza dignitosa e cara
Colei da cui tra il core e lo intelletto
Il difficile accordo ognuno impara;

Ch' apre il volume e mostra al tuo cospetto
La triplice sua legge, e vuol risponda
Tuo gran senno del pari al gran tuo affetto

Indi colei di numeri feconda ,
Che le forme, le forze, il moto, il giro ,
Tutto misura quanto noi circonda :

Ch' al fianco tuo satisfarà il desiro
D'ogni provincia, poi che ben partite
Le bisogna saran che mal s'uniro.

E quella viene che solenne e mite
I diritti protegge, ed incorrotta
Vendica e insiem conserva averi e vite.

E la sublime che di Dio fa dotta
La umana stirpe e la rinfranca e sana
Da tante colpe ond' ella v' corrotta ;

Tal che la prima con potenza umana
T'avvalor la mente al comun bene ,
E la seconda con virtute arcana.

E medicina con le ancelle viene
Di civiltà ministre, onde fù Roma
Emula sempre dell' antica Atene.

Ma d'olivo e d'allôr cinta la chioma
Ecco t'invita amor, che fia sempr' arda
Per Te così che niuna forza il doma ;

De' tuoi fidi è il desio : tu lo riguarda
D'aspre ritorte non più carico il piede
Da insanguinata libertà bugiarda.

Il Gran Fernando cui nel petto han sede
Mille elette virtù , il Sire augusto
Che T' ospitò , e sicuro asil ti diede ;

Quel generoso sì prudente e giusto
A redire ancor Ei deh ! ti consigli
Di Clemenza e Giustizia insieme onusto.

E salvo alfin da tanti tuoi perigli
Ti mostri a' rei trionfator Sovrano
E Padre amante agli amorosi figli.

Riedi dunque , t' affretta ; in Vaticano
Imbrandito l' acciar veglia un Cherùbe ,
Ch' ogn' altro nembo spingerà lontano.

Ei, dell' ira di Dio lampeggia e rube ,
E grida sì che terra e ciel rimbomba ,
Ritto sul dorso a tempestosa nube.

Nemici a Cristo il vostro ardir qui ha tomba . . .
Vi cale o Regi far più saldi i troni ?
Adorate la Croce , e al par v' incomba

I malvagi punir , dar premio ai buoni.

the 1990s, the number of people in the UK who are aged 65 and over has increased from 10.5 million to 12.5 million, and the number of people aged 75 and over has increased from 4.5 million to 6.5 million (Office for National Statistics 2000).

There is a growing awareness of the need to address the needs of older people in the community. The Department of Health (1999) has published a strategy for older people, which sets out a vision for the future of older people's services. The strategy is based on the following principles: older people should be able to live independently in their own homes; older people should be able to access the services they need; and older people should be able to participate in the decisions that affect their lives.

The strategy also sets out a number of key objectives for the future of older people's services. These include: to ensure that older people are able to live independently in their own homes; to ensure that older people are able to access the services they need; to ensure that older people are able to participate in the decisions that affect their lives; and to ensure that older people are able to live in a safe and secure environment.

The strategy also sets out a number of key actions that need to be taken to achieve these objectives. These include: to ensure that older people are able to live independently in their own homes; to ensure that older people are able to access the services they need; to ensure that older people are able to participate in the decisions that affect their lives; and to ensure that older people are able to live in a safe and secure environment.

The strategy also sets out a number of key actions that need to be taken to achieve these objectives. These include: to ensure that older people are able to live independently in their own homes; to ensure that older people are able to access the services they need; to ensure that older people are able to participate in the decisions that affect their lives; and to ensure that older people are able to live in a safe and secure environment.

The strategy also sets out a number of key actions that need to be taken to achieve these objectives.
